

## Year 5 Homework – Summer Term 1 – Make Your Own Magic!

Please choose a maximum of 3 challenges per week and either upload them on to Seesaw or bring it in to class.

You can either complete, 1, 2 or 3 challenges each week – please do not do any more than this as you work hard enough in school!

<b>Extra Hot:</b> Can you bake some magical cookies or cakes? You could maybe even write some instructions to show us how you made them.	<b>Extra Hot:</b> Can you find a picture of a magical setting and write a detailed description? Remember to use your senses to describe all the different things.	<b>Extra Hot:</b> Can you write your own story based on our topic – Make your own MAGIC?
<b>Hot:</b> Can you complete 30 minutes on SumDog?	<b>Hot:</b> Can you be a maths wizard and complete a maths weekly challenge?  Make sure you take one before you leave on Friday.	<b>Hot:</b> Can you complete 30 minutes of Bug Club?
<b>Medium:</b> Pick a character from a magical book or film. Can you write a character description about them?	<b>Medium:</b> Can you design a uniform for your own magical school of witchcraft and wizardry? It needs to include a logo – we can't wait to see what you've chosen.	<b>Medium:</b> Can you create or learn a magic trick? You could either write a summary of your trick, show the class, or take a picture of you performing the trick to your family.
<b>Mild:</b> Can you watch a film/TV show based on our new topic (Make your own MAGIC) and write a review or summary?	<b>Mild:</b> Can you find a book based on our magical topic and write a book review?	<b>Mild:</b> Can you create a word search using some magical vocabulary? You could even test a friend or a family member?
